Dear Future PayDC Subscriber,

I wanted to inform you in writing our plan and commitment regarding the certification process for the PayDC software package.

Firstly, we are committed to being certified for the fourth quarter of 2011. The current status is we are adding functionality as required to satisfy the certification tests as outlined by CCHIT, the governing body for certification.

Please consider this letter as documentation of our guarantee to be certified. If you have any questions, please contact us at your convenience regarding this issue. Thank you again for your commitment to PayDC, we appreciate your continued support.

Regards,
